CAMP STAFF

DEREK WOODLEY is in his ninth season at the helm of the Yellow Jacket baseball program and is just the third baseball head coach in the past 31 years of the program at Defiance College. Woodley led the Yellow Jackets to a HCAC Tournament berth in 2013 and the 20 wins were the most since 1995 and third most in DC Baseball history.

The 2013 accomplishments were the latest in a string of steady improvement since Woodley took over in the dugout for the Purple and Gold. During that time, Defiance has three of the top win totals in the program's history.

Woodley has 22 years of coaching experience at the collegiate level including six seasons as the Head Coach at Bethany Lutheran College in Minnesota where he accumulated a 141-90 record, while winning three league titles, a pair of regional championships and two NJCAA Region XIII Coach-of-the-Year honors. Woodley also worked as a part-time scout for the St. Louis Cardinals from 2000-2004 and served as a coach in the Northwoods League for the Mankato Mashers and Mankato Moondogs from 2000-2003.

CAMERON CASTRO is in his fourth season as a member of the Defiance College baseball coaching staff. Castro works primarily with the DC pitchers, while coordinating the Yellow Jacket recruiting efforts. Castro brings plenty of coaching experience with him to the DC, including a stint with Lakeshore Chinooks of the Northwoods League this past summer. The team went on to capture NWL South Division and NWL Summer Collegiate World Series Titles. In addition, Castro was selected to be part of the South Division All-Star coaching staff. Following the season, two players he helped coach went on to sign professional contracts.

XANDER UXLEY is in his second year as an assistant coach for the Defiance College Baseball Program during the upcoming 2015 season. He will be the infield coach for the Yellow Jackets as well as helping out with instruction of the hitters. Uxley has also been an assistant coach for the Ohio Elite Baseball Organization, one of Ohio's premier travel organizations, during the summers. Uxley also spent time working for Prep Baseball Report, a baseball evaluation site that has advanced into one of the country's largest and most respected independent scouting services.

Other camp staff will include current DC baseball players.
